2. **Determination of market value for the acquired Lands:**

Ramasamypuram Village

- ✓ In order to arrive the market value, the sales statistics that took place in 1.6 km radius from the acquisition field for the period of three years prior to the date of publication of 3(2) notice have been collected and sales were gathered from Ottapidaram and Pudukottai Sub-Registrar's Offices.
- ✓ As per the provisions of the RFCTLARR Act, 2013 and the guidelines issued vide this office Circular No.M2/7304/2018, dated: 16.10.2020, the market values have been worked out as follows:

Table – 5

Sl. No	Name of the Village	Classification of the lands	Extent to be acquired (in Hec)	Guideline Value (Per Hec.) (in Rs.)	Average sale Value (Per Hec.) (in Rs.)	Market Value (Per Hec.) (in Rs.)
1	Ramasamypuram	Dry – Manavari – Type I	65.09.00	3,73,500	4,45,134	4,45,134
		Dry – Manavari – Type 1 (Bhoodan land)	0.26.50	---	4,45,134	4,45,134
		Total	**65.35.50**			

3. **Determination of compensation under Private Negotiation:**

- ✓ Based on the above market values, DLPNC meeting was conducted by the officials with land owners on 18.08.2023. During the meeting, since the acquisition fields are located within 30 km from Urban limit, negotiation has been made upto 275% of Market Value / Guideline Value (whichever is higher) by the DLPNC as per G.O.Ms.No.411, Revenue and Disaster Management (LA-I(1)) Department, dated: 06.08.2020. After that, additionally 25% incentive to be given for that amount.
- ✓ Apart from the above, it was assured during the DLPNC that in respect of trees and structures, those will be estimated by the Departments concerned without any depreciation along with 100% solatium and 25% incentive.
- ✓ During the DLPNC meeting, the market value of the lands, the probable compensation amount as per the Act and as per Private Negotiation, Many of them have consented to give the lands if higher compensation than the actual compensation payable for them. Few of the land owners have stated that compensation to the tune of Rs.15,00,000/- per acre should be given for their lands. On scrutiny of the sales deed, discussion with the land owners, input from the field officers like Village Administrative Officer, it is learnt that agricultural lands with GLV of Rs. 1,51,215/- per acre are sold at the rate of Rs. 1,51,541/- to Rs. 1,80,216/- per acre based on the purpose of purchase.
- ✓ District Level Private Negotiation Committee decided to recommend common prices to all land owners in the Village irrespective of the Guideline Value.
- ✓ The total acquisition extent of 65.35.50 Hectares (161.43 Acres) of lands has GLV of Rs. 3,73,500/- per hectare.
- ✓ The lands proposed or acquisition are similar in nature spread across the adjacent villages. All these lands comes under same administrative sanction.

S.No	Land Catagery As Per Guide Line Value	Guideline Value per Acre	Market Value per acre	Land Value As per Act (per Acre)	Land Value As per Private Negotiation 275% (per Acre)	Land Value As per Tentative (Rs.700000) (per Acre)	% of Hike for Guideline Value		
							Land Value As per Land Act	Land Value As per Private Negotiation	Land Value As per Tentative
1	A	151,215	180,216	4,85,556	6,19,493	7,00,000	321%	410%	463%

- ✓ The compensation permissible for the extent of lands under various classification as per Act and as per Private Negotiation are given in the **Annexure III and IV**.
- ✓ The values of trees will be obtained from Horticulture and 100% solatium is proposed to be given as per the guidelines in force.
- ✓ Hence, based on the above justification a flat rate of Rs. 7,00,000/- per acre may be applied to the lands with GLV above Rs. 1.00 Lakh to 2.00 Lakhs per acre i.e., GLV of Rs.3,73,500/- per Hectare (per acre Rs. 1,51,215) to the extent of 65.09.00 Hectares (160.772 Acres) and for an extent of 0.26.50 Hectare {0.654 Acre (65.4Cents)} of Bhoodan land, the amount to be fixed as per LA Act at the rate of Rs.4,85,556/- per acre.

Based on that, the following decisions have been taken by the DLPNC:

a) It was decided by the DLPNC **to fix a flat rate at Rs.7.00 lakhs per acre inclusive of all components** (inclusive of 275% negotiable value + 25% incentive + Rehabilitation and Resettlement benefits under Schedule-II of RFCTLARR Act, 2013) in respect of certain categories of lands furnished in **Annexure - V** for which the final compensation amount shall be less than Rs.7.00 lakhs per acre as per the provisions of RFCTLARR Act, 2013 / G.O.Ms.No.411, Revenue & Disaster Management Department, Dated: 06.08.2020.

b) And no residential type lands are lies in this acquisition.

The following justifications were made by the District Collector, Thoothukudi to arrive the above flat rate as mentioned in point (a) for an extent of 65.09.0 Hectares:

- The total acquisition extent of 65.35.50 hectares, (161.43 acre) of lands having GLV of Rs.3,73,500/- per hectare. The lands proposed for acquisition are similar in nature spread across the adjacent villages.
- Considering the variations in GLVs among the adjacent lands and anomalies in fixation of GLVs for the acquired lands located within the close proximity, it was decided to determine a fair compensation amount for the land owners whose lands are having lesser GLV to ensure the smooth LA process.
- Based on the demands raised by the land owners and due to the opposition from the land owners, it is necessary to determine a fair compensation amount for the acquired lands irrespective of GLVs.
- To avoid futuristic expenditure in the form of LAOP cases, it has been decided to determine a fair compensation amount based on the prevailing market value for the acquired lands and to complete the land acquisition through Private Negotiation in a smooth way.

b. Further, it was decided to provide the final compensation amount as per the provisions of G.O.Ms. No.411, Revenue & Disaster Management Department, Dated: 06.08.2020 in respect of certain categories of lands furnished in **Annexure - IV** for which the final compensation amount (inclusive of negotiable value + 25% incentive) shall be **less than** Rs. 7 lakhs per acre as per the provisions of RFCTLARR Act, 2013/G.O.Ms.No:411, Revenue & Disaster Management Department, Dated:06.08.2020.

c. Since, the decisions taken in point (a) and (b) are beyond the powers of DLPNC, it was decided to get the approval of Government through SLPNC.

d. Further, the values of structures / trees identified in the acquired lands through will be estimated by the Departments concerned and the same shall be given to the land owners along with 100% solatium and 25% incentive as stipulated in G.O.Ms. No:411, Revenue and Disaster Management Department, dated: 06.08.2020.

Accordingly, the final land compensation amount (excluding the compensation for Tress & Structures) shall be estimated as follows:

4. **Recommendations of DLPNC:**

The DLPNC has recommended the following points to SLPNC, to get the approval of the Government:

- ✓ **In respect of certain categories of lands for which final land compensation (as per Act / Private Negotiation) is less than Rs.7.00 lakh per acre:** To fix a flat rate at the rate of **Rs.7.00 lakhs per acre** inclusive of all components (inclusive of negotiable value + 25% incentive + R&R entitlements under Schedule-II of RFCTLARR Act, 2013) for an extent of **65.09.00 Hectares {160.772 Acres) and for an extent of 0.26.50 Hectare {(0.654 Acre (65.4 Cents)} of Bhoodan land, the amount to be fixed as per LA Act at the rate of Rs. 4,85,556/- per acre** as furnished in **Annexure – III and Annexure - IV** for which the final compensation amount inclusive of all components shall be less than Rs.7.00 lakhs per acre as per the norms under Act / Private negotiation.
- ✓ To permit the District Collector, Thoothukudi District to estimate the values of structures / trees identified in the lands to be acquired through concerned Departments and the same may be given to the land owners along with 100% solatium and 25% incentive as stipulated in G.O.(Ms)No.411, Revenue and Disaster Management Department, dated: 06.08.2020.
- ✓ To permit the District Collector, Thoothukudi to proceed with the process of acquisition of lands through Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement, Act 2013, for the unconsented land owners.
