FARMSYNC / DEMONSTRATION DATA

Survey 384 - Block 2

Land record summary for a demonstration document upload
Prepared: 18 October 2026

Demonstration fixture - not a government-issued land record.
This generated summary reproduces the bundled hackathon benchmark fields. It is intended for testing the FARMSYNC PDF upload and document comparison workflow.

Survey no	Owner	Extent acres	Village
384	Ramesh Kumar S/o Sundaram	10.349	Keelathattaparai

Block: 2

Taluk / District: Thoothukudi / Thoothukudi

Demonstration patta reference: 1136

Land classification: Dry Agricultural (Punjai)

Benchmark record verification date: 2024-03-15

Source traceability
Bundled TASK_2 / Land_Registry / Revenue_Patta_Registry.json, parcel key 384, supplies the claimant, extent and patta reference. TASK_2 / Geospatial_Layer / Park_Cadastral_Map.geojson, survey_no 384, supplies the block association.

Interpretation
A match demonstrates agreement with the bundled benchmark only. This PDF does not establish legal ownership, photo-to-parcel association, crop, growth stage or field condition. Those findings require their own evidence and review.
